House Tours are offered EVERY TUESDAY

It IS possible to experience over 350 years of history in 120 minutes! Come on. . .We Know You Want To See What's Inside.

Join us as we take you on a guided walking tour of some of Granada's homes. This city, with its beautiful layout and architecture, is known as one of the most beautiful in all of Latin America.

Each week we will introduce you to 3 homes that offer you a look behind the doors of Granada and a view of the past & present. You'll see first hand how Granada is preserving some of its fine colonial-era architecture. Plus, it's just plain fun to see how others are decorating and living!

Where does your money go?

The House Tour funds support:

Biblioteca 'Puedo Leer' bringing the love of books and reading to the children of Granada and Kinder Sacuanjoche, the only Waldorf School in Nicaragua.
